

DR. SOLOMON MARMOR Wins Honor

### Cal State Professor Honored

Dr. Solomon Marmor, professor of organic chemistry at California State College at Dominguez Hills, has been elected a fellow of the American Institute of Chemists.

Dr. Marmor was notified of his election by Emerson Verable, chairman of the Fellowship Nominations Committee of the Institute.

A graduate of City College of New York, Dr. Marmor received his bachelor's degree in 1948. He earned his doctorate in organic chemistry at Syracuse University in 1952.

BEFORE becoming a teacher, Dr. Marmor was a research chemist with the FMC Corp. in Buffalo, N.I. He began teaching at Utica College of Syracuse University and then moved to Mexico Highlands University, where he became an associate professor and head of the chemistry department.

Dr. Marmor joined Cal State Dominguez Hills two years ago.

He is the author of numerous articles on organic chemistry and has published two books.

Dr. Marmor, his wife, and two children live in Redondo Beach.

### Street Project Slated

Plans for the improvement of Carson Street from Main Street to the San Diego Freeway are set for approval Nov. 12.

The Board of Supervisors will then call for bids from contractors to construct the project, Supervisor Kenneth Hahn said.

Scheduled to begin this winter, work will consist of reconstructing and widening the existing roadway to provide a four-lane, fully curbed and divided highway within a 100-foot right of way.

Because this portion of Carson street is within the jurisdictional limits of both the county and the city of Carson, the agencies will share in the cost.

Hahn pointed out the improvement is the final section in the over-all development of Carson Street from Normandie Avenue to the San Diego Freeway.

### Property Taxes Now Payable

Payment of the first installment of current property taxes is now due, Harold J. Ostly, county tax collector, has announced.

Bills have been mailed to all property owners, Ostly said. Persons who have not received a tax bill by Nov. 10 should contact the tax collector's office.

Deadline for payment of the first installment is due by Dec. 10. Failure to receive a bill does not excuse penalties for late payments, it was noted.
